Marketing

If I am providing authorization for marketing purposes, I understand that
Woman's Hospital may receive a monetary benefit (directly or indirectly) from a third party for the use of my patient information.

Authorization Expiration Date or Event

Unless otherwise revoked, this authorization will expire on the indicated date, event or condition. If an expiration date, event or condition is not specified below, this authorization will expire one (1) year from date of signature. For genetic information, the expiration date must be sixty days or less from date of signature. If no expiration date is specified, the authorization will expire sixty days from date of signature. The statement "end of research," "none," or similar language is sufficient if disclosure is for research, (*except for research on genetic information*) including the creation and maintenance of a research database or repository.

Expiration (Month, Day, Year / Event / Condition) _____

REQUIRED STATEMENTS

I understand that**:**

1. Authorizing the release of this health information is voluntary and I can refuse to sign this authorization.
2. I have the right to revoke this authorization at any time (*upon written notification to the Health Information Management Department at Woman's Hospital)* except to the extent that Woman's Hospital has already released the health information before receipt of the revocation. For genetic information, I have the right to revoke the authorization at any time before the disclosure is actually made or when I am made aware of the details of the genetic information.
3. If the authorization is for research, the researcher may continue to use and disclose the health information collected prior to the receipt of the written revocation.
4. Woman's Hospital cannot condition treatment, payment, enrollment, or eligibility for benefits on the patient providing this authorization.
5. If the authorization is for research-related treatment, Woman's Hospital may condition the provision of research-related treatment on provision of an authorization for the use or disclosure of protected health information for such research.
6. Any release of information carries with it the potential for an unauthorized redisclosure by the Recipient and the information may not be protected by federal law.
7. The authorization shall be invalid if used for any other purpose other than the described purpose for which the disclosure is made.
8. A photocopy of this authorization may serve as an original.

Printed Name _____

Patient's Signature _____ Date _____

Printed Name _____

Personal Representative's Signature (if necessary) _____ Date _____
